Hello Class of 1967 Alumni!

It's hard to believe that we are approaching the 40th anniversary of our high school graduation. Now is the time to start thinking about getting together with old friends to talk about the good old days at Saint Clement's High School on Reunion Weekend. We're putting together a weekend of events where we can get together and see how our high school classmates have changed, share what's happened the last 40 years, and reminisce about high school memories.

As your reunion committee, we have been working to plan what will be a fun-filled weekend for the entire Class of 1967. The event will be held at the Holiday Inn in Boxborough, on October 12-14, and we will have activities planned for each day. Our 40th Reunion happens only once, so we're sure this is an event you will not want to miss! Please take a look at our website. It is a great tool for staying in touch and unlike classmates.com, there is no cost to you! The 40th Reunion website is located at www.stclementreunion.com. Please check here for updated information, pictures, contact information for other class members, and your input to assist us in planning daily activities. It's a work in process, so please feel free to send pictures for posting or comments to our very much appreciated webmaster, Ralph Porzio at rporzio@verizon.net.

We're very excited about bringing all of this together, and hope you will join us in making this a memorable weekend! See you in October!

We've enclosed a registration form with this letter for you to sign up. If you have any questions, please contact any of us:

The hotel offers a very nice Sunday morning brunch, and a chance for everyone to say goodbye.

Serving as your volunteer reunion committee our priorities were to plan an event that would be:

- A memorable and enjoyable time for all
- Reasonably priced
- An opportunity to spend more than one evening together, given the travel required for some people to attend and the gap in time since our last reunion
- Allow for input from class members for additional activities

The reunion committee makes the required deposits, manages each main event, sends out necessary mailings (invitations) and works with sub-committees to plan other activities for the weekend. We will continue to strive to make this weekend complete by organizing additional events around Saturday's dinner to add value for you and your guest. We are confident that you will have a wonderful weekend and fond memories to last a lifetime.

If you have any questions regarding the reunion events, please do not hesitate to e-mail or call any member of the reunion committee.
